

Chester Port Health Authority.

Annual Report of the Medical Officer of Health for 1959.

To the Chairman and Members of the Chester Port Health Authority.

Gentlemen,

I beg to submit my **Annual Report for 1959.**

BOARD.

The composition of your Board and the extent of its jurisdiction are the same as previous years.

INSPECTION.

The usual systematic inspection of both Foreign and Coastwise Vessels has been carried out with regard to Sickness, Water Supply, Ventilation, Sanitary conditions of the Crews' quarters, and the presence of Rats. No cases of serious illness were detected, and no cases of Infectious Diseases were notified during the year.

A few minor defects were found on inspection in certain of the Coastwise Vessels, to which the attention of the Master was drawn with subsequent improvement.

This Report is compiled in accordance with instructions received from this Ministry of Health.

Yours faithfully,

J. LLEWELLYN JONES
